Join me, Judie Muggia, for a magical, one-week trip to little-known and beautiful country of Ecuador on the Pacific coast of South America.

Ecuador's charming, sunny, people welcome us to Guayaquil and our hotel from which we will tour the area for a full day before our departure for Dariwn's magical isles, the Galapagos Islands.

Tip Top II will be our home for the next five days of island visits - photo - graphing snorkeling, swimming, sun-bathing, star-gazing - all with our charming English speaking guide.
